CRIM1PM - Introduction

Introduction

Introduction

The program of the preparatory year is made up of essential criminological training such as philosophy, psychology, sociology, biomedical sciences and introduction to fundamental right materials. This program reflects the desire to prepare students for an interdisciplinary approach to criminology.

CRIM1PM - Teaching profile

Learning outcomes

Preparatory year for Master in Criminology give students of higher education outside the university prerequisites in law, psychology, sociology, biomedical sciences and languages that are needed to follow the Master in Criminology aims.

She introduced to the study of crime, deviance, marginality and social control by introducing them to basic disciplines of criminology.

Programme structure

The program of the preparatory year for Master in Criminology consists of core subjects training in criminology and reflects the desire to prepare students for an interdisciplinary approach.

Some graduates may, however, be exempted from certain courses, pursuant to Article 60 of the Decree of 31 March 2004 on the system of university education. These equivalences are notified to them on admission.

CRIM1PM - Information

Admission

(Decree of March 31st 2004 defining higher education, favoring its integration in the European framework of higher education and refinancing universities)

The admission requirements must be met prior to enrolment in the university.

The mentioned information may of modification for 2014-2015

In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail

General conditions

Access to the preparatory year on the basis of a bridging programme: see <https://uclouvain.be/fr/etudier/passerelles/recherchez-vos-passerelles.html>

students may be required to take extra courses representing a maximum of 60 additional credits. Where the extra workload exceeds 15 credits, this training is considered to be a preparatory year of study. Access to the preparatory year on the basis of **accreditation of prior learning and skills acquired through personal or professional experience** :

Article 53 of the Decree of 30 March 2004 stipulates that: "Notwithstanding article 51, without prejudice to article 60, and in accordance with a decision by the academic authorities, for the purpose of granting access to Master's studies, the competent Examination Board may accredit prior learning and skills acquired by students through their personal or professional experience. This useful experience must correspond to at least five years of activities, excluding years of higher education study that were not passed. At the end of an assessment procedure organized by the academic authorities, the Examination Board will decide whether a student has sufficient knowledge and skills to successfully pursue Master's studies."

Access to the preparatory year on the basis of accreditation of 180 ECTS credits by the Admissions Board (personalized admission based on application) for students who have a degree from a Belgian university or qualifications obtained abroad (which do not give access to this particular year on the basis of the abovementioned general conditions).

—
In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail

Specific Admission and Enrolment Procedures for General Registration

Consultez les informations relatives au règlement des examens et le calendrier académique général de l'UCL.

1. To register for the preparatory year for Master in Criminology, students must obtain permission from the School of Criminology. To do this, they must submit their application to the admission of the School of Criminology Commission (Place Montesquieu 2 Bte L2.07.01 B - 1348 Louvain -la-Neuve or info-crim@uclouvain.be). This letter must be accompanied by a curriculum vitae and a copy of the detailed results of all years of studies conducted previously. The admission of the School of Criminology Commission will consider their previous studies and validate any exemptions.
2. Students "VAE" must submit their [application for admission](#) to the Admissions Committee of the School of Criminology, Place Montesquieu 2 Bte L2.07.01 B - 1348 Louvain-la-Neuve or info-crim@uclouvain.be. This file must be accompanied by a curriculum vitae and a copy of the detailed results of all years of studies conducted previously. To register for the preparatory year for Master in Criminology, students must obtain permission from the School of Criminology.

See information about the exam regulations and general academic calendar UCL.

Evaluation

The evaluation methods comply with the [regulations concerning studies and exams](#). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

Each course in the program has a written or oral examination, possibly supplemented by a project leading to a job in the valuation. Individual assignments and practical exercises promote continuous program evaluation. The description of each course specifies the evaluation mode (www.uclouvain.be/cours-2013-codecours).

The [seminar methodology of academic work in criminology](#) initiates particularly students seeking a bibliography and writing a personal work at the university level.

Possible trainings at the end of the programme

The preparatory year does not lead to a degree. Only a certificate of completion will be issued.

The success of the preparatory year gives access to the [Master in Criminology](#).
