### Learning outcomes

The aim of the minor is to allow students who so wish to include a course of critical reflection on the place of man and woman in society in their baccalaureate training. The program offers a multidisciplinary approach from the first level. Amongst other things, it raises important epistemological questions: it questions the neutrality of knowledge and questions the way disciplines are borne out of the male/female divide.

### THE PROGRAMME'S COURSES AND LEARNING OUTCOMES

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.

## MINGENRE - Information

### Access Requirements

---

The minor is accessible to all baccalaureate students.

Some options (group C) which are clearly marked (P) require nevertheless for the student to have already taken a basic course in the discipline.

### Evaluation

---

***The evaluation methods comply with the regulations concerning studies and exams (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".***

### Possible trainings at the end of the programme

---

This minor does not provide direct access to a master's. It facilitates the transition on to the Master's in the science of the family and sexuality.
