THE PROGRAMME'S COURSES AND LEARNING OUTCOMES

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.

MINHUSO - Information

Access Requirements

All baccalaureate students (apart from SOCA1BA and SPOL1BA students) are admitted on to the course of training. The minor in human and social sciences is recommended to students who are looking to 'add something' to their training in human science, who want to 'get a feel for' another subject, and are seeking to enrich their baccalaureate course by adding a rigorous approach to current political phenomena and issues.

Evaluation

The evaluation methods comply with the regulations concerning studies and exams (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

Possible trainings at the end of the programme

- Direct access to the Master's in Labour Sciences, the Master's in Human Resources and the Master's in Population and Development for bachelors in political science and bachelors in sociology and anthropology.
- Access on conditions for other bachelors (with the agreement of the person in charge of the program) : consideration will be given to all of the courses the student has taken as part of his/her baccalaureate, and, should some courses not have been taken, they can be added to the Master's in Labour science, master's in human resources and the master's in population and development science programs. (maximum 15 credits).
