DROI2M - Introduction

Introduction

DROI2M - Teaching profile

Learning outcomes

After a three-year bachelor, the programme in Master en droit has the dual objective of adding to the student's general training by teaching fundamental subjects (core courses) and providing him with specialist training in subjects more closely linked to his future professional career (focuses and optional courses). The student chooses his specialisation from the coherent set of subjects.

The balance between general training and specialised training should provide the student with the opportunity to acquire legal skills of a highly technical level, aided by skills in critical reflection.

The Master's programme is also intended to help students familiarise themselves with the world of work (internship and dissertation), broaden their linguistic skills (English courses and exchanges with KULeuven) and perfect their training abroad (Erasmus exchanges).

On successful completion of this programme, each student is able to :

1. APPROFONDIR

Mobiliser et enrichir avec esprit critique les savoirs et compétences acquis au terme du programme de bachelier en droit.

1.1. Mobiliser et enrichir avec esprit critique les savoirs et compétences acquis au terme du programme de bachelier en droit, dans une perspective à la fois interdisciplinaire, comparative et professionnelle.

2. MAÎTRISER ET APPLIQUER

Maîtriser le contenu des principales règles du droit positif belge dans toutes ses branches, ainsi que celles du droit européen et du droit international, pouvoir en comparer les traits essentiels à quelques systèmes étrangers et être capable de passer de l'abstraction de la règle de droit aux faits, fussent-ils présentés de façon complexe, et inversement.

2.1. Avoir une connaissance actuelle et une maîtrise générale des principes, règles, théories, doctrines et jurisprudences donnant corps aux différentes branches du droit, en particulier le droit fiscal et le droit comptable, le droit international privé, le droit international public, le droit des sociétés, le droit patrimonial de la famille, le droit de la sécurité sociale et le droit des sûretés.

2.2. Connaître et comprendre l'influence qu'ont certaines normes et institutions européennes et internationales sur ces différentes branches du droit.

2.3. Connaître quelques traits essentiels de ces mêmes branches du droit à l'aune de quelques systèmes étrangers et maîtriser les techniques et les réflexes de recherche en droit comparé aux fins d'approfondir ces connaissances.

2.4. Rechercher, lire et comprendre des documents juridiques écrits en néerlandais et en anglais ou en allemand.

Être capable de suivre un cours universitaire dans une de ces langues.

2.5. Dans l'une ou l'autre branche du droit, pouvoir, de manière autonome et créative, diagnostiquer un problème juridique complexe, en discerner, dans les moindres détails, les difficultés, en élaguer les éléments périphériques, y apporter des solutions argumentées, fondées sur des recherches approfondies, livrées dans une synthèse claire sous-tendue par un raisonnement juridique poussé, cohérent et crédible.

2.6. Être capable de passer de l'abstraction de la règle de droit aux faits concrets, et inversement.

3. EXPLIQUER ET CONVAINCRE

Passer aisément de la règle aux faits et inversement lors d'une discussion, communiquer de manière claire, précise, structurée et argumentée le fruit d'une recherche et le résultat d'une analyse juridiques et produire une étude juridique, dans le respect le plus absolu des règles gouvernant la production scientifique.

3.1. Lors d'une discussion (colloque singulier, conversation collective, discours argumentatif, consultation écrite ou orale, etc.), être capable de passer de l'abstraction de la règle de droit aux faits concrets, et inversement.

3.2. Exprimer à haute voix, de manière vivante, structurée et argumentée le contenu d'un savoir, le fruit d'une recherche ou le résultat d'une analyse juridique dans un français clair et précis dont le registre est adapté au contexte et aux qualités des interlocuteurs [exposé, entretien, conversation, plaidoyer, etc.] et être capable d'en faire de même, par écrit, dans le respect de l'échéance assignée.

3.3. Pouvoir, oralement et par écrit, produire une étude juridique étayée d'illustrations pertinentes.

3.4. Participer à une conversation courante sur une question juridique de difficulté moyenne dans une autre langue que le français (en particulier en néerlandais ou en anglais).

3.5. Subordonner toute forme de communication personnelle au respect le plus absolu des règles gouvernant la production scientifique (citations littérales, références, bibliographie, etc.).

4. RÉFLÉCHIR ET PARTICIPER

Actualiser ses connaissances, percevoir les passerelles entre les différentes branches du droit, se forger des opinions personnelles et, le cas échéant, faire fructifier l'ouverture résultant d'un stage ou d'un séjour d'échange.

4.1. Être capable d'actualiser et de parfaire ses connaissances dans les différentes branches du droit de manière autonome, et d'ainsi se forger une solide culture juridique générale.

4.2. Apercevoir, mobiliser et exprimer les liens, passerelles et prolongements unissant entre elles les différentes branches du droit afin d'analyser une situation factuelle.

4.3. Dans une perspective interdisciplinaire, connaître, comprendre et mobiliser les concepts et théories issus d'autres sciences humaines (notamment l'économie politique, la philosophie, la psychologie, la sociologie, l'histoire et l'éthique) afin d'appréhender le rôle, la portée et les limites du droit et de la justice.

4.4. Faire fructifier l'ouverture résultant :

- soit d'un stage de pratique juridique et approfondir à cette occasion la capacité de contextualiser les normes, les institutions et les personnes appelées à les appliquer ;
- soit du programme interdisciplinaire en création d'entreprise ;

- soit d'un séjour d'échange ;
- soit de cours dispensés en faculté par des professeurs étrangers.

4.5. Pouvoir, à propos d'une controverse juridique ou d'une problématique qu'il aurait identifiée, se forger et exprimer une opinion personnelle.

4.6. A raison d'une analyse des situations et mécanismes humains, familiaux, économiques ou sociaux appréhendés par le droit, réfléchir à la justesse des solutions juridiques, aux moyens de les améliorer et agir en ce sens.

5. S'INTERROGER, S'IMPLIQUER ET S'ORGANISER

S'interroger sur les choix que véhiculent les normes, s'impliquer dans la promotion des valeurs fondatrices du droit et s'organiser dans son travail.

5.1. Comprendre le caractère relatif, dans le temps et dans l'espace, d'une solution juridique, et ainsi s'interroger sur la pertinence des choix qu'elle véhicule.

5.2. Identifier et promouvoir les valeurs éthiques et sociales fondatrices du droit et de la justice, ainsi que se garder de toute forme d'instrumentalisation.

5.3. S'organiser, planifier son travail et respecter les délais.

6. S'ORGANISER ET S'ADAPTER

S'organiser dans son travail, pouvoir s'adapter à de nouveaux contextes et y évoluer positivement, en ayant intégré une logique de développement continu.

6.1. S'organiser, planifier son travail et respecter les délais.

6.2. Identifier et intégrer, de manière autonome, les nouvelles connaissances et compétences indispensables pour pouvoir appréhender rapidement de nouveaux contextes et/ou situations, identifier ses limites et faire appel, si nécessaire, à des ressources externes adéquates.

6.3. Intégrer une logique d'auto-évaluation, d'apprentissage et développement continu indispensable pour évoluer positivement dans son futur environnement professionnel.

Programme structure

The student constructs his programme to include four main coherent sections: core courses (43 credits), a dissertation (and supporting seminar: 17 credits), a focus (30 credits) and two optional courses (2 x 15 credits).

The programme of the first year of the Master is made up of:

- Courses and practical exercises from the core courses (spread out across the year) ;
- the supporting seminar for the dissertation (2nd semester) ;
- one optional course which are available (2nd semester).

The programme of the 2nd year of the Master is made up of:

- a selected focus, from the eight focuses available, either at UCLouvain, at KUL or abroad (1st semester) ;
- the dissertation (spread out across the year) ;
- the second optional course, from the optional courses available or optional courses taken abroad at a partner university (Erasmus) (2nd semester).

Course prerequisites

The **table** below lists the activities (course units, or CUs) for which there are one or more prerequisites within the programme, i.e. the programme CU for which the learning outcomes must be certified and the corresponding credits awarded by the jury before registering for that CU.

These activities are also identified **in the detailed programme**: their title is followed by a yellow square.

Prerequisites and student's annual programme

As the prerequisite is for CU registration purposes only, there are no prerequisites within a programme year. Prerequisites are defined between CUs of different years and therefore influence the order in which the student will be able to register for the programme's CUs.

In addition, when the jury validates a student's individual programme at the beginning of the year, it ensures its coherence, meaning that it may:

- require the student to combine registration in two separate CUs which it considers necessary from a pedagogical point of view.
- transform a prerequisite into a corequisite if the student is in the final year of a degree course.

For more information, please consult the [Academic Regulations and Procedures](https://uclouvain.be/fr/decouvrir/rgee.html) (<https://uclouvain.be/fr/decouvrir/rgee.html>).

Prerequisites list

LDROI2200 "Mémoire de fin d'études" has prerequisite(s) LDROI2100

- LDROI2100 - [Thesis support seminar](#)

The programme's courses and learning outcomes

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.

DROI2M - Information

Access Requirements

Master course admission requirements are defined by the French Community of Belgium Decree of 7 November 2013 defining the higher education landscape and the academic organisation of courses.

General and specific admission requirements for this programme must be satisfied at the time of enrolling at the university.

Unless explicitly mentioned, the bachelor's, master's and licentiate degrees listed in this table or on this page are to be understood as those issued by an institution of the French, Flemish or German-speaking Community, or by the Royal Military Academy.

In the event of the divergence between the different linguistic versions of the present conditions, the French version shall prevail.

SUMMARY

- > [General access requirements](#)
- > [Specific access requirements](#)
- > [University Bachelors](#)
- > [Non university Bachelors](#)
- > [Holders of a 2nd cycle University degree](#)
- > [Access based on validation of professional experience](#)
- > [Access based on application](#)
- > [Admission and Enrolment Procedures for general registration](#)

Specific access requirements

Il faut apporter la preuve d'une maîtrise suffisante de la langue française (niveau B1 du Cadre européen commun de référence).

University Bachelors

Diploma	Special Requirements	Access	Remarks
UCLouvain Bachelors			
Bachelor in Law		Direct access	
Bachelor in Law	With the Minor in law (access)	Access with additional training	In some cases, if the UCLouvain Admissions Office considers the enrolment application sufficiently complete, it will submit the application to the faculty for a decision.
Others Bachelors of the French speaking Community of Belgium			
		Direct access	
Bachelors of the Dutch speaking Community of Belgium			
		Access based on application	
Foreign Bachelors			
		Access based on application	

Non university Bachelors

> Find out more about [links](#) to the university

Diploma	Access	Remarks
BA en droit - crédits supplémentaires entre 45 et 60	Les enseignements supplémentaires éventuels peuvent être consultés dans le module complémentaire .	Type court

Holders of a 2nd cycle University degree

Diploma	Special Requirements	Access	Remarks
"Licenciés"			
		Access based on application	
Masters			
Masters en droit étrangers		Access based on application	Sous réserve d'acceptation du dossier, accès moyennant compléments de formation déterminés en fonction du programme suivi antérieurement (maximum 60 ECTS)
		-	
		Direct access	

Access based on validation of professional experience

> It is possible, under certain conditions, to use one's personal and professional experience to enter a university course without having the required qualifications. However, validation of prior experience does not automatically apply to all courses. Find out more about [Validation of priori experience](#).

Access based on application

Access based on application : access may be granted either directly or on the condition of completing additional courses of a maximum of 60 ECTS credits, or refused.

Admission and Enrolment Procedures for general registration

Teaching method

- Classing of course in focuses in options: coherence of subjects and constitution of teaching teams (especially for the options) ;
- Balance between interdisciplinarity and specialisation via choice of two options;
- Dissertation seminar;
- Important place reserved for internships in the focuses.

Evaluation

The evaluation methods comply with the regulations concerning studies and exams (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".

- Examens écrits ou oraux
- Evaluation continue et prestation écrite dans les exercices pratiques : les cours du tronc commun font l'objet d'une évaluation ventilée sur des prestations relevant tantôt du cours magistral, tantôt des exercices pratiques accompagnant ces cours.

Mobility and/or Internationalisation outlook

Many Erasmus destinations (second term of second year of the de Master en droit) for the options and focuses in the privileged partnership (first semester of the second year of the Master en droit).

Our Faculty is offering a partnership with more than 80 different universities.

Depending on the exchange university, the student will take part or all of his programme in English.

BILINGUAL EXCHANGES WITH KULEUVEN

Students selected for a one year exchange must take a programme for a total of 45 credits.

They must choose one "professional focus" of 30 credits and a set of optional courses of 15 credits.

1. Professional focuses

Three focuses are offered

- Professional focus "Privaat- en strafrecht"
- Professional focus "Publiekrecht"
- Professional focus "Economische recht"

1. The student must complete his programme with optional courses, amounting to at least 15 credits:

Possible trainings at the end of the programme

Accessible advanced Masters: possibility to access an advanced masters in law either the advanced master in European law, in International Law, in Human Rights or in Environment Law.
