APPECON - Introduction

Introduction

APPECON - Teaching profile

Learning outcomes

The approfondissement in economics completes the baccalaureate program in economics and management. It allows the student to gain a deeper understanding of the subject in workshop-seminars (15 credits) as well as taking courses in economics (15 credits) which are not given as part of his/her baccalaureate program.

On successful completion of this programme, each student is able to :

1. Maîtriser des connaissances et compétences approfondies dans certains domaines des sciences économiques afin de faciliter le choix de la finalité et des options de son master.
2. Développer une compréhension approfondie de questions complexes en économie relatives à des thématiques complémentaires à celles étudiées dans le cadre de la majeure.
3. Démontrer une compréhension approfondie et exploiter avec pertinence une palette élargie d'outils d'analyse critique relevant des sciences économiques.

THE PROGRAMME'S COURSES AND LEARNING OUTCOMES

For each UCLouvain training programme, a [reference framework of learning outcomes](#) specifies the the skills expected of every graduate on completion of the programme. Course unit descriptions specify targeted learning outcomes, as well as the unit's contribution to reference framework of learning outcomes.

APPECON - Information

Access Requirements

There are no entry requirements for students in the 2nd year of the ECGE baccalaureate, whatever their future choice of master's (in economics or in management).

Evaluation

The evaluation methods comply with the regulations concerning studies and exams (<https://uclouvain.be/fr/decouvrir/rgee.html>). More detailed explanation of the modalities specific to each learning unit are available on their description sheets under the heading "Learning outcomes evaluation method".
