### *Satisfaction survey*

A few months ago, we conducted a satisfaction survey of our consultancy service among our clients. **97% of respondents to the survey were satisfied with our services and 97% would recommend them !**

The strong points that came up most often in the answers were the exchanges with the consultants, the

quality of the listening and the attention given to requests. #bestteamever !

## Webinar for journalists

"How to properly present and interpret data."

In March 2021, **RSSB** organised a training course for journalists. This was developed and delivered by our SMCS consultants in French and Dutch.

## Video

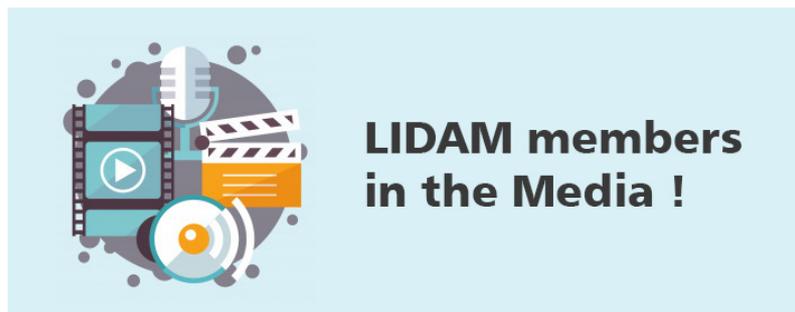

*Prof. Catherine Legrand*

will present her research in 180 sec.
