ISP

FILO2520 Training in communication of scientific knowledge and mastery of oral and written expression(philosophy)

[15h] 2 credits

Teacher(s): Heinz Leonardy
Language: french
Level: 2nd cycle course

Aims

Promote the pedagogical transfer of scientific attainments to future students both from the point of view of oral transmission and written expression.

Main themes

In a scientific manner, the student should deal with a significant contribution to the didactics of philosophy. That research is to be the object of a written work and an oral exposé delivered to his peers. The exposé will be evaluated by the group.

Other information (prerequisite, evaluation (assessment methods), course materials recommended readings, ...)

As a prerequisite, this course presupposes knowledge acquired in general didactics and didactics of philosophy.
