This course is taught in the 2nd semester

**Teacher(s):** Ralph Dekoninck, Michel Lisse  
**Language:** french  
**Level:** 2nd cycle course

#### Aims

To bring the students to think about the book as a material object.

#### Main themes

Content :

The book and its techniques, from manuscripts to printed works. Description of the techniques of bookmaking and publishing. A study about the reading and the circulation of books.

#### Content and teaching methods

The "book" is approached in a general manner from the first manuscripts to the current developments in computer science. Focussing on book production conditions and the evolution of book production through the ages, the course shows the constant relation between texts, book production techniques, and potential readers.
