

Faculté des sciences économiques, sociales et politiques

ESPO

PERS2251 Séminaire de gestion des ressources humaines

[30h] 5 credits

Teacher(s): Nathalie Delobbe
Language: french
Level: 2nd cycle course

Main themes

An examination of the implementation of the principles and analytical tools of human resource management, together with a deepening of certain specific problems.

Content and teaching methods

Content

The theme of the seminar will be determined every year by agreement with the students. Examples and themes that might be addressed will include an examination of the processes and policies of task allocation, evaluation, pay and employee motivation, and a study of forms of worker participation.

Methodology

The seminar will involve group work including reading, the analysis of practical cases, and a piece of research based on practices in enterprises that will lead to the production of a report.
