

## ALLE1500 German intermediate level

[90h] 9 credits

This course is taught in the 1st and 2nd semester

Language: French

Level: First cycle

### Aims

Advanced level

Reading comprehension

- Can understand complex texts;
- Can understand specialised articles and technical instructions even if they are not related to his/his field of specialisation.
- C1- level of the "Common European Framework for languages".

Listening Comprehension

- Can easily understand television programs and films
- Can understand a long lecture even if it is not well structured and the articulation is only implicit
- C1 level of the "Common European Framework for languages".

Speaking skills

. Individually:

- Can give clear, detailed descriptions and presentations on complex subjects, integrating sub-themes, developing particular points and rounding off with an appropriate conclusion.

. Interactive:

- Can express him/herself fluently and spontaneously without giving the impression to look for words.
- Can use the language in a smooth and effective way for his personal and professional relations.
- . C1 level of the "Common European Framework for languages".

Writing skills

- Can write a simple and coherent text about familiar topics or other topics in which the student is interested.
- Can write personal letters to describe his/her experience and impressions.
- B2 level of the "Common European Framework for languages".

### Main themes

Code

- Ability to master the basic vocabulary (2000 words) and the basic structures of the German language. - Consolidation and extension of vocabulary.
- Special attention will be paid to pronunciation.

Culture

At all previously mentioned levels: sensitisation for the culture of the German speaking countries

Methods

- The course is centred around different topics (i.e. shopping, telephoning, world of work...).
- Learning with didactical or authentic material (listening and reading comprehension).
- Consolidation and extension of basic vocabulary and the basic structures of the German language by written or oral exercises (drills, role-plays, interviews, discussion in small groups of 2 up to 4).
