

ALLE2420 German : interactive communication

[30h] 3 credits

This course is taught in the 1st and 2nd semester

Language: French

Level: Second cycle

Aims

The main objective of the course is to develop the learner's skill in mastering (essentially) spoken German in interactive communication situations which he/she will come across in his/her daily life and in his/her future professional activities.

Reading

- Can read with ease all forms of written language, including abstract, structurally or linguistically complex texts such as manuals, specialised articles and works of literature.
- C2 Level of the " Common European Framework of Reference for Languages "

Listening

. Individual :

- Has no difficulty in understanding any kind of spoken language whether live or broadcast, even when delivered at fast speed, provided there is some time to get familiar with the accent.
- C2 Level of the " Common European Framework of Reference for Languages "

Speaking

. Individual :

- Can present a clear, smoothly flowing description or argumentation in a style appropriate to the context and with an effective logical structure which helps the recipients to notice and remember the significant points.

. Interactive :

- Can spontaneously take part in any conversation or discussion.
- Has a good familiarity with idiomatic expressions and colloquialisms.
- Can express himself/herself fluently and convey finer shades of meaning precisely.
- . C2 Level of the " Common European Framework of Reference for Languages "

Writing

- Can write clear detailed texts on a wide range of subjects relating to his/her interests
- Can write an essay or a report, passing on information or giving reasons in support of or against a particular point of view
- Can write letters highlighting the personal significance of events and expressions
- B2 Level of the " Common European Framework of Reference for languages "

Main themes

Code

Ability to master the language functions, the grammatical structures, the vocabulary (general and specific to the field of study), the pronunciation and intonation of the German language so as to enable spontaneous and fluent communication.

Methods

The student is encouraged to gradually improve his/her oral skills in the various above mentioned domains . The teacher will provide a wide range of linguistic tools and documents (written and audiovisual) which will enable the student to be efficient in interactive communication situations. Feedback activities and revision exercises are also part of the course.
