- The student should be able to express a point of view on a current issue.

##### . Interactive :

The student should be able to communicate spontaneously on a familiar topic.

. B1/B2 level of the " Common European Framework for Languages "

#### Writing skills

. The student should be able to write a simple and well-structured text on familiar topics or on general topics related to their field of study

. B1 level of the " Common European Framework for Languages "

### Main themes

#### Code

- Learning of business vocabulary based on two books (Test Your Professional English 'Intermediate' and 'Finance')
- Development of specific grammatical structures (infinitive and gerund, reported speech, relative pronouns #)
- Correction of common lexical and grammatical mistakes (use of a CD-ROM for self-tuition)

## Content and teaching methods

### ANGL 1332 - BUSINESS ENGLISH

This course is meant for BAC 2 students in economics and management or sales engineering.

This is a 60 hour course taught two hours a week throughout the academic year.

This upper-intermediate course is based on authentic materials (video programmes and articles from business magazines). It aims to teach students the language skills (listening comprehension, reading comprehension and speaking) that they will require for their academic studies and in a future professional context.

Assessment:

- written exam (50% of the overall mark)
- oral exam consisting in a conversation in pairs about a topic related to the business world (25% of the overall mark)
- work in class (continuous assessment) including a presentation (25% of the overall mark).

Teachers : A. Adriouche, E . Dagneaux, M. Henriët, S. Mulkers, F. Stas, A. Verhaegen

## Other information (prerequisite, evaluation (assessment methods), course materials recommended readings, ...)
