

Faculty of Law**DESO3206 Case Study and Supervised Training Courses**

[30h]

Teacher(s): François T'Kint
Language: French
Level: Third cycle

Aims

The aim is to familiarise students with the everyday operation of companies and to make them aware of the legal and economic problems which arise and the solutions available.

Main themes

There will be close consultation with company supervisors who agree to accept one or more student trainees on the precise nature of the students' on-the-spot training, on which the student will have to make a report. The supervisor will also take on the role of monitor, in coordination with the degree courses being studied.
