## FILO1355 Philosophical texts V: Critical reading in Analytic Philosophy

[30h] 4 credits

This course is not taught in 2005-2006

Language: French

Level: First cycle

### **Content and teaching methods**

The course aims at providing students with tools that would allow them to read, to interpret and to comment on philosophical texts of analytical style. At the end of the course they should in particular be able to understand what is at stake in the philosophical debates concerning logic and language and, if they wish it, to commence a research in this area. Moreover, they will be able to locate these texts in the overall context of philosophy.
