

## ANGL1840A English: remediation

[ ] 2 credits

Language: French  
Level: First cycle

### Aims

The main aim of this receptive course is to develop students' reading and listening skills.

#### Reading comprehension

. at the end of the course the students should be able to:- understand short, simple texts on familiar matters of a concrete type which consist of high frequency everyday or job-related language.- find specific, predictable information in simple everyday material.

. Level A2 of the " Common European Framework of References for Languages "

#### Listening comprehension

. at the end of the course the students should be able to:

- grasp the main point in short, clear, simple messages and announcements.
- understand and extract the essential information from short, recorded passages dealing with predictable everyday matters which are delivered slowly and clearly.

. Level A2 of the " Common European Framework of References for Languages "

#### Usage :

- (1) reinforcement of basic vocabulary + vocabulary building
- (2) grammatical and lexical difficulties

### Main themes

#### Course description

The topics addressed during the classes aim at arousing the interest of young adults. We shall speak about leisure, studies and future professions, daily life and contemporary events, relations with others and culture (habits and customs) of the countries that speak the target language..

The grammatical and lexical difficulties covered are :

- tenses (active voice)
- modal auxiliaries
- link words
