Main themes

Methods

Before each class activity, the teacher places a range of tools (communication techniques, useful expressions, general and specialised vocabulary, grammatical reminders) and resources (written documents, audiovisual aids, web sites) at the students' disposal. Most of them are mentioned in the syllabus and enable the students to interact in communication situations in so far as they have been prepared beforehand. Feedback activities are also planned. Students are given detailed instructions before each activity. Texts and videos are used as inputs to the oral discussion.
