Main themes

Code

Enabling students to adequately master language functions, grammatical structures (simple and complex), vocabulary (general and specific), pronunciation and intonation in order to allow for fluent and spontaneous communication.

PEDAGOGICAL APPROACH

Students will take part in activities that will allow them to use and develop their communication skills and mastery of the language (principally speaking skills) in situations such as:

- Socialising
- Presentation of a project, of a talk
- Participation in (leading of) a group project, a meeting
- Negotiations, exchanging of ideas, building up an argument
- Telephoning
- Job interviews (including the writing of a CV and application letter)
- Writing e-mails

Students will be given a host of language aids (communication techniques, language functions, general and specialized vocabulary, grammatical points) and resources (written documents, audiovisual supports, internet sites) before each activity thus enabling them to participate fully in each interactive communication situation (provided they prepare for each of them). Feedback and remedial sessions will also be provided. Detailed instructions concerning each activity will be given in advance.
