DROI1303 Commercial Law

[60h+12h exercises] 5 credits

This course is taught in the 2nd semester

Teacher(s): Yves De Cordt
Language: French
Level: First cycle

Aims

This course ensures the student has basic training in commercial law. The student must have understood and assimilated the juridical notions and rules governing the subject matter and must be able to apply them correctly to concrete situations. The course also aims to develop a critical perception of the content covered.

Main themes

The course ensures the study of Belgian commercial law, without excluding occasional references, with a pedagogical aim, to comparative law ; commercial professions and their specificities ; commercial acts and practices ; company law ; financial law ; collective liquidation procedures.

Lectures which may, if necessary, be completed, depending on course needs by other pedagogical methods. The syllabus must be provided at the beginning of the course semester, as from the second year of the nomination of the lecturer.

12 hours of compulsory practical exercises to help the student develop a practical approach to the subject. The sessions are prepared by the student whose course input is evaluated by the assistant. The course lecturer will, in agreement with the president of the department, be attentive to the coherence and adequation between the practical exercises and the lectures, including their contribution to the evaluation.

* The practical exercises are not accessible to students doing the minor in Law.
