### RELI2920 Seminar of religious teaching

[15h] 2 credits

This course is taught in the 2nd semester

**Teacher(s):** Henri Derroitte  
**Language:** French  
**Level:** Second cycle

#### Aims

The course opens up research into the didactics of religious education and into the implementation of new methods and approaches for this education.

#### Main themes

It allows students to try out these new methods and approaches during the course of the seminar. The experiment is done on the basis of the programme of a religion class.

#### Content and teaching methods

The seminar consists of programming one of the secondary school years. The students go over the programme step by step, taking turns being the pupil or professor. The implementation of original and new methods is integrated in the process.
