

ALLE2440 German - interactive communication

[30h] 3 credits

This course is taught in the 1st and 2nd semester

Language: French

Level: Second cycle

Aims

The main objective of the course is to develop the learner's skill in mastering (essentially) spoken German in interactive communication situations which he/she will come across in his/her daily life and in his/her future professional activities.

Reading

- Can autonomously understand factual texts and specialised articles relating to his/her field of study.
- B2 Level of the " Common European Framework of Reference for Languages "

Listening

. Individual

- Can understand lectures and authentic talks and follow an argument.
- Can understand audiovisual documents relating to current events and/or to the field of study.
- Can make use of relevant points (items) from a document in a conversation.

. Interactive :

- Can follow the main lines of argument in a clear standard conversation related to school, leisure, work,...
- Can follow an everyday conversation between several native speakers in the main socio-professional contexts
- . B2 Level of the " Common European Framework of Reference for Languages "

Speaking

. Individual :

- Can give an audience a clear, well-structured presentation of a complex subject referring only occasionally to his/her notes.

. Interactive :

- Can spontaneously take part in a conversation on familiar subjects or on subjects of personal interest or on everyday topics (family, leisure, work, travel, current events;)
- Can actively take part in a conversation in familiar situations, can express and stand up for his/her opinions.
- Can communicate spontaneously and fluently (almost effortlessly) in interaction with a native speaker.
- Can contribute in an active, flexible and efficient way to conversations inside the professional and social fields. - Can express, link up and stand for his/her ideas in socio-professional conversations.

. B2 Level of the " Common European Framework of Reference for Languages "

Writing

- Can write a comprehensible e-mail with a communicative objective
- Can draw up CVs and application or cover letters
- B1 Level of the " Common European Framework of Reference for languages "

Main themes

Code

Ability to master the language functions, the grammatical structures, the vocabulary (general and specific to the field of study), the pronunciation and intonation of the German language so as to enable spontaneous and fluent communication.

Methods

The student is encouraged to gradually improve his/her oral skills in the various above mentioned domains . The teacher will provide a wide range of linguistic tools and documents (written and audiovisual) which will enable the student to be efficient in interactive communication situations. Feedback activities and revision exercises are also part of the course.
