CPME2103 main financial aspects

[15h+30h exercises] 3 credits

Language: French
Level: Second cycle

Aims

At the end of the class, students should be able to

- get a good command of main accounting and financial concepts necessary for the young entrepreneur to understand, manage and control his company
- draw up a financial plan applied to a starting company

Main themes

To concentrate on the financial aspects pertaining to the process of creation of a new enterprise. In particular, to represent in financial terms the economic objectives of the new enterprise: balanced growth, profitability and liquidity
