[15h+15h exercises] 4 credits

This course is not taught in 2006-2007

This course is taught in the 1st and 2nd semester

Teacher(s): Ludovic Beheydt
Language: Dutch
Level: Second cycle

Aims

By the end of the course the student should be able to follow any discourse in Standard Dutch and to read complicated texts in Dutch. He'll be able to take part in spontaneous conversations. He will be able to develop and argument in written Dutch. He will have a metaknowledge of the Dutch language.

Main themes

Integrated development of the four skills: reading, writing , speaking, listening. Analytic discourse exploitation of texts. Vocabulary development and practical aspects of language use (neologisms, foreign influence, spelling) are dealt with as well.

Content and teaching methods

Progressively develop the communicative skills in Dutch. Various types of exercises should foster the receptive and productive skills. Practical aspects of foreign language users' skills, such as the use of dictionaries, the critical attitude toward neologisms and foreign words will also be dealt with. Part of the course is devoted to reading strategies.
