### GLOR2857 Arabe classique (2e partie)

[30h] 6 credits

This course is not taught in 2006-2007

**Teacher(s):** Godefroid De Callatay  
**Language:** French  
**Level:** Second cycle

#### Aims

The course aims at providing the student with a general acquisition of Classical Arabic morphology and syntax, leading to the reading of texts.

#### Main themes

After having been introduced to the mechanisms of writing in Classical Arabic through basic and vocalised sentences in the lower level of Classical Arabic (first part), the student will be initiated to the study of partly vocalised or non-vocalised texts of literary Classical Arabic. The course provides a comprehensive study of Arabic morphology and syntax.

#### Content and teaching methods

This course is the second part of the initiation to literary Classical Arabic. The morphology and syntax of literary Classical Arabic will be dealt with in a comprehensive way. For possible complements to this course see the abstract for GLOR 1805.
