

Faculty of Economic, Social and Political Sciences

IDRI2208 Seminar on international relations: strategic questions

[30h] 5 credits

Teacher(s): Michèle Lauwers
Language: French
Level: Second cycle

Content and teaching methods

Content

The themes cover one aspect of the military policy, or strategic doctrine, of the United States, the USSR, France, Great Britain and Germany.

Methodology

A talk given by each participant on a subject that s/he will already have chosen.

The written text (25 pages) will have to be handed in at the beginning of the examination session for which each student has enrolled.

Other credits in programs

POL22/RI Deuxième licence en sciences politiques (Relations internationales)
