

## MARK2251 Strategic and operational marketing seminar

[30h] 5 credits

| Teacher(s): | Marie-Paule Kestemont, Isabelle Schuiling (supplée Marie-Paule Kestemont), Isabelle Schuiling <br> (supplée Valérie Swaen), Valérie Swaen |
| :--- | :--- |
| Language: | French |
| Level: | Second cycle |

## Aims

At the end of the class, students should be able to apply the marketing reasoning, its concepts, and its methods in concrete managerial situations.

## Main themes

The principal objective of this marketing seminar is the development and the deepening of key managerial topics that require an interface with reality and the other functions of the company. This seminar aims at giving to students an experience in the development of a strategic marketing and in the implementation of a marketing programme adapted to the strategy selected.

## Content and teaching methods

## CONTENT

Product quality and service quality ; Analysis of consumer satisfaction; Salesforce management ; Consumer complaint management ; congruence between corporate identity and corporate image as well as any current and interesting topic. METHODS
