ROM2460 French Linguistics applied to teaching : French as a mother tongue

[30h] 3 credits

This two-yearly course is taught in 2006-2007, 2008-2009,...

This course is taught in the 2nd semester

Teacher(s): Cédric Fairon
Language: French
Level: Second cycle

Aims

To have the students critically think about the means to develop, in a proper way, some attention to the language issue in the secondary education schools.

Main themes

To analyse the different points of view (morphosyntactical, semantic, discursive) likely to shed light on the language issues in the secondary education schools.

Content and teaching methods

Several questions will be dealt with : the interest itself of the metalinguistic reflection in the secondary education (Why ? How ?), the issue of how to assess the different aspects of language skills, etc.

Other information (prerequisite, evaluation (assessment methods), course materials recommended readings, ...)

Evaluation : Paper to be discussed at the oral exam.

Teaching materials : Selected bibliography.
