Admission conditions

The second cycle of university studies ("licence") in Physical Education is accessible to students who :

- hold the diploma of the first cycle of university studies ("candidat") in Physical Education ;
- hold the diploma of non-university higher education educator ("gradu ) in Physical Education or in AESI in the subject, on condition they pass the admission exam. Depending on the student's application, a complementary study programme of 150 hours maximum may be added to the regular programme.
