Abstract

This note* provides instructions for the preparation and submission of the final versions of the accepted papers for the 37^{th} WIC† Symposium on Information Theory in the Benelux (SITB), and 6^{th} joint WIC/IEEE SP Symposium on Information Theory and Signal Processing in the Benelux to be held in Louvain-la-Neuve, Belgium, May 19–20, 2016 (see http://sites.uclouvain.be/sitb2016).

1 Format

The paper format and style must be in accordance with the present document. You can use this LaTeX file to generate your camera-ready paper. The format and style specifications are:

- A4-size, one column, text width 155mm, text height 235mm, top and side margins 27mm, and a maximum of 8 pages;
- A serif font such as the standard LaTeX font or "Times" and a font size of 12pt; this will be reduced to 10pt in the proceedings;
- no page numbers, maximum of 8 pages, references like [1], sections and subsections should be numbered like in this sample.

Camera-ready papers that do not meet these specifications will not be accepted.
In case you have any question regarding the paper submission or the symposium itself, please contact the organizers at sitb2016@uclouvain.be.

2 Submission

The camera-ready paper should be submitted by email as a **PDF file** (with all fonts embedded) to sitb2016@uclouvain.be by **May 9, 2016**.

2.1 Name of the File

Please name your PDF file using the submission number that was included in your confirmation email.
